WHAT IS IT?

Under the Agreement Concerning the International Carriage of Dangerous Goods by Road (ADR), drivers of vehicles carrying dangerous goods must hold an ADR Certificate appropriate to the hazard class(es) of the goods they carry and the way they will carry them (in packages or tanks).

Drivers who do not already hold a valid certificate have to take an initial training course, whilst already qualified drivers can attend a refresher course or take the initial course again.

WHO SHOULD ATTEND?

Drivers that need to carry all classes of dangerous goods (excluding Explosive & Radioactive) in packages.

Our initial training courses are designed to enable those attending to pass the relevant SQA exams required to obtain their first ADR certificate or to refresh an existing certificate that is due to expire.

WHAT DOES IT COST?

Price includes exam fees, refreshments and VAT.

WHAT DOES THE COURSE COVER?
