

ROAD HAULAGE MANAGEMENT CPC

WHAT IS IT?

Our Management CPC training courses are designed to enable candidates to pass the CILT(UK) Level 3 Certificate of Professional Competence for Transport Managers exams required to qualify them to act as transport manager for an operator in the road haulage industry. Courses and exams are held at regular dates each year.

WHO SHOULD ATTEND?

Anyone wishing to act as a nominated transport manager for an operator of goods vehicles but also this qualification will benefit other transport staff including supervisors, clerks, etc.

WHAT IS THE QUALIFICATION LEVEL?

This is a Level 3 qualification, which is considered to be an Advanced Level qualification, and is recommended for delivery for candidates aged 18 and above.

Although there are no entry requirements for this qualification, it is recommended that candidates have good English and Maths skills equivalent to Level 2 (GCSE) before they begin studying the CPC qualification at Level 3. If you are not sure of your current skill levels, please contact us to discuss this.

Level 3 qualifications involve:

Intellectual skills and attributes

1. Apply knowledge and skills in a range of complex activities, demonstrating comprehension of relevant theories
2. Access and evaluate information independently
3. Analyse information and make reasoned judgements
4. Employ a range of responses to well defined but often unfamiliar or unpredictable problems

Processes

1. Operate in a variety of familiar and unfamiliar contexts using a range of technical or learning skills
2. Select from a considerable choice of procedures
